

SACROILIAC JOINT PAIN RESEARCH STUDY

WCMC IRB
Approval Date: 12/28/2018
Expiration Date: 2/20/2019

Do you suffer from low back/upper buttock pain?

- Is it limited to one side?
- Has it been chronic (greater than 2 months)?
- Have your symptoms persisted despite conservative treatments?

If **yes**, you may be eligible to participate in a research study on platelet-rich plasma injections to the sacroiliac joint

If you are interested in finding out more about the study, please contact:
